

Dear customer,

In order to repair your product, **we require these data:**

✓ Store and contact person:

✓ Contact telephone number:

✓ E-mail:

✓ Vehicle VIN/chassis number:

The chassis number **is essential for the correct identification of the product.**

Use this same document and include it in the box where you send the product for repair.

If you do not provide us with this information, **we cannot ensure the correct repair of your product.**

If you have any doubts, please contact us by phone at +34 948 303 436.
